\*\* To provide crime stat data to the public as expeditiously as possible, the crime stats presented on this page are based on UNAUDITED RMS data gathered from police reports throughout all steps of the report writing process and are therefore subject to change until Records Audit and NIBRS validation is complete.

The perception may be that the City of Richmond’s lower level crime statistics have increased. This change in reporting is not expected to reflect an actual increase in crime, but rather a change in the way crimes will be reported.
